

**Objective:** This guide will show you how to find research instruments and questionnaires in CINAHL. For further information please view the list of additional guides on our website ([link](#)).

## Finding Research Instruments

CINAHL includes **Instrumentation (IN)** field which gives the names of the instruments used in the **studies**.

1. Enter your **search term** or **name of the instrument** you are searching for
2. Click the drop down menu and select **instrumentation (IN)** and click search.
