

EndNote Finding Full Text

Last Update: 2/20/2017

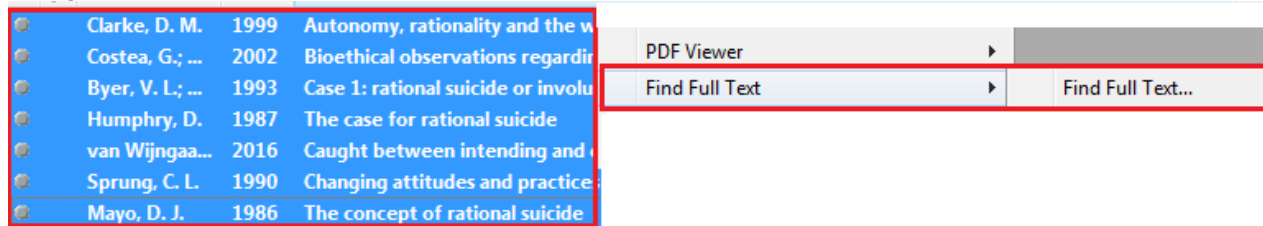

Objective: This guide will show you how to find full text in your EndNote Library.

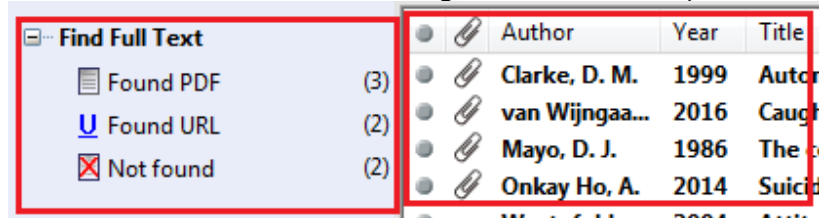

For further information please view the list of additional guides on our website ([link](#)).

Directions

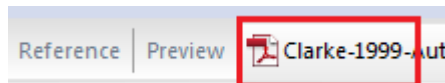

1. Highlight the references in your EndNote Library that you would like to attach full text to.
2. Right click>Find Full Text > Find Full Text

3. EndNote will then search through Moffitt's subscriptions and attached the PDF of the citation.

4. To view the attached PDF's go to the right pane and click the PDF symbol to view and download the PDF.
