

Registering for an UpToDate Account

Last Update: 11/12/2020

Objective: This guide will show you how to register for an UpToDate account.

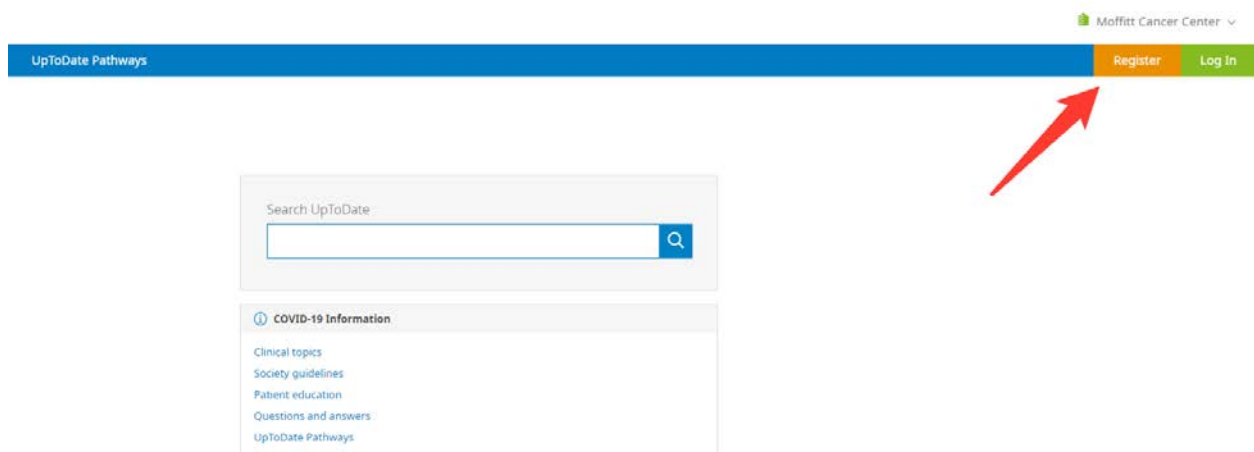

For further information please view the list of additional guides on our website (<https://library.moffitt.org/research-guides>).

About:

UpToDate is a point of care, evidence-based reference tool written and edited by physicians that is designed to aid clinicians in decision making.

Directions:

1. While on Moffitt's Network, navigate to <https://www.uptodate.com/contents/search>
2. Click on the orange "Register" button in the upper right-hand corner of the page

3. Fill out the resulting form; you will then be able to login when off Moffitt's network or when using the UpToDate app on your iOS, Android, or Windows device

!!Warning!!

Keep in mind that every 90 days, you will need to login to UpToDate from Moffitt's network to recertify your affiliation with Moffitt in order to keep your account active and usable while not on the network!
